Worcester Technical High School

ADMISSION POLICY

Updated June 1, 2017

I. INTRODUCTION

An admission process is necessary in vocational technical schools where space is a limiting factor. Vocational technical laboratories (shops) are designed and equipped to serve a specific maximum number of students safely. Consequently, a complex of such laboratories lacks both the space and flexibility to accommodate the possible needs and/or interests of all applicants. Therefore, a selection process is necessary to determine which applicants may most benefit from such educational opportunities. All applicants to grades nine through twelve at Worcester Technical High School will be evaluated using the criteria contained in this Admission Policy. The Worcester Public School Committee approved this policy on June 1, 2017.

II. EQUAL EDUCATIONAL OPPORTUNITY

Worcester Technical High School admits students and makes available to them its advantages, privileges and courses of study without regard to race, color, sex, religion, national origin, sexual orientation, gender-identity or disability.

If there is a student with limited English proficiency, a qualified representative from Worcester Technical High School will assist the applicant in completing the necessary forms and assist in interpreting during the entire application and admission process upon the request of the applicant.

Disabled students may voluntarily self-identify for the purpose of requesting reasonable accommodations during the entire application and admission process.

Information on limited English proficiency and disability submitted voluntarily by the applicant, for the purpose of receiving assistance and accommodations during the entire application and admission process, will not affect their admission to the school.

III. ELIGIBILITY

Any eighth, ninth, tenth or eleventh grade student who is a resident of the Worcester Public School District who expects to be promoted to the grade they seek to enter is eligible to apply for fall admission subject to the availability of openings to Worcester Technical High School. Resident students will be evaluated using the criteria contained in this Admission Policy.

Transfer students from other vocational technical schools are eligible to apply for fall admission or admission during the school year to grades 9-12 at Worcester Technical High School provided they expect to be promoted to the grade they seek to enter by their current

school. Transfer students will be evaluated using the criteria contained in this Admission Policy.

Worcester Public Schools is a school choice district, please refer to Worcester Public Schools School Choice Policy.

IV. ORGANIZATIONAL STRUCTURE

Worcester Technical High School is a public vocational technical school located in Worcester, Massachusetts. Worcester Technical High School is a member of the Worcester Public Schools District and is accredited by the New England Association of Schools and Colleges. Worcester Technical High School is committed to providing quality academic and vocational technical programs.

It is the responsibility of the Worcester Public Schools Superintendent to supervise the administration of the policies and procedures required to admit and enroll applicants in conformity with this Admission Policy.

Worcester Technical High School has an Admission Committee appointed by the Principal. The committee consists of a member of the Administration, Guidance, Special Needs, Vocational Technical and Academic Departments. Responsibilities of the Admissions Committee include:

- A. determination of standards for admission
- B. development and implementation of admission procedures
- C. processing of applications
- D. ranking of students
- E. acceptance of students according to the procedure and criteria in the admission policy
- F. establishment and maintenance of a waiting list of acceptable candidates

The Worcester Public Schools do participate in the School Choice Program.

V. RECRUITMENT PROCESS

1. Worcester Technical High School disseminates information about the school through a variety of methods.
 - a. All Worcester Public School and Charter eighth graders tour Worcester Technical High School each fall. Buses are provided to the middle schools by Worcester Technical High School for this career awareness program. Applications are mailed to each Worcester Public School student in the language of their family.
 - b. An Open House during the fall is scheduled. Prospective students and their parent(s)/guardian(s) have an opportunity to visit all vocational technical programs and speak with teachers as well as view a presentation about all offerings. WPS provides translators at Open House to explain the programs and opportunities.
 - c. Parent(s)/guardian(s) may schedule individual visits at a mutually convenient time.
 - d. Brochures, which describe vocational technical programs including academic courses, sports, cooperative education, and special education resources, are

distributed during the 8th grade visitations, posted on our web site and the Open House. All material is translated into seven languages.

After points are given in each area, the points are totaled for each applicant. A maximum total of one hundred (100) points can be earned.

VIII. SELECTION PROCESS

The Admission Committee at Worcester Technical High School will examine, discuss and make recommendations for action on the applicants.

The Admission Committee considers scholastic achievement, attendance, school behavior, sending Guidance Counselor's recommendation results. Applications are reviewed, processed and assigned points by grade level.

After a point total for each applicant has been determined, all applicants are placed in order of their "point total". Applicants are then accepted in order of the point total they have achieved. The applicant with the highest point total is accepted first, the applicant with the second highest point total is accepted second, and so on until all seats are filled. All applicants are accepted, declined, or placed on a waiting list. If openings occur, the seats are filled by accepting applicants from the waiting list. These applicants, like those accepted earlier, are accepted in order of their place on the waiting list determined by the total points given according to the selection criteria.

Applications received after April 1st will be evaluated using the same criteria as other applications and their composite score will be integrated in rank order on the established waiting list.

All applicants whose applications are received by Worcester Technical High School by April 1 are notified of their status by a letter to their parents / guardians by mid-May.

IX. ENROLLMENT

In order to enroll at Worcester Technical High School for the fall, applicants must have been promoted to the grade they wish to enter by their sending school. In addition, they must have successfully passed courses in English language arts or the equivalent and mathematics for the school year immediately preceding their enrollment at Worcester Technical High School.

X. VOCATIONAL TECHNICAL PROGRAM PLACEMENT

All ninth graders who enroll in Worcester Technical High School participate in a vocational technical exploratory program designed to help them learn about their talents and interests relative to a variety of different vocational technical programs. Students initially explore each vocational program in the technical academy, during their first shop

week, for one day (mini-explore). Then students have the option of changing one shop choice based on the mini-explore experience. The student's top 4 choices, taken from their original application, together with 4 choices taken from the total available shops are scheduled for the entire exploratory period which is composed of Quarter 1 and Quarter 2. Students are evaluated and scored (0-100 points) using the standardized Student Evaluation – Exploratory rubric by each shop & related teacher during the two week shop exploratory rotation.

At the end of this eight shop exploratory choice, half-year period, each student selects his/her program preferences on the shop selection form one through six from the programs they explored. Students are admitted into the shop of their choice based on the point total they received in all shops combined. For example, a student with a point total of 100 would be admitted before a student with a point total of 80. If a shop fills, based on highest point total, before a student gets his/her first choice, the Director of Career Vocational Technical Education then moves to the students' second through sixth choice depending upon whether there is an opening in the shop. Again, the student is admitted based upon overall point total. If a student's point total in all shops combined is so low that they were not placed in their second through sixth choice shop because the shops were filled by students with higher point totals, the Director of Career Vocational Technical Education will meet with the student and present a list of the shops with openings which the student can explore and ask the student to choose one of them. Again, students selecting shops from among the shops with openings, which the student explored, will be admitted based on their point totals. The process continues until all students are placed.

Students who wish to transfer from one shop to another during the school year may apply for transfer using a standardized form from their guidance counselor. Transfer requests will be considered subject to the availability of openings in the requested shops, and career plan. Each transfer applicant will be interviewed and counseled individually to determine the appropriateness of the transfer for the particular student.

XI. REVIEW and APPEALS

The applicant's parent(s)/guardian(s), upon receipt of a letter from Worcester Technical High School indicating that the applicant was not accepted or placed on a waiting list, may request a review of the decision by sending a letter requesting a review to the Principal within thirty days of the receipt of the letter. The Principal will respond in writing to the letter with the findings of the review within thirty days. If after the review, the parent/guardian wishes to appeal the findings of the review they may do so by sending a letter requesting that they be scheduled to appear before the Worcester Public Schools Secondary Manager for Instruction and School Leadership to appeal the Principal's findings. The Secondary Manager for Instruction and School Leadership will respond in writing to the parent/guardian with a scheduled date for the appeal within thirty days of the receipt of the letter. The Secondary Manager for Instruction and School Leadership will respond in writing to the letter with their decision on the appeal within thirty days of the Secondary Manager for Instruction and School Leadership meeting when the appeal was presented.
